Orlando Rugby Club

The Orlando Rugby club, founded in 1970, has been holding their Annual Golf Tournament for 25 years, for the benefit of the team and local charities. This year, the club has teamed up with the Mustard Seed, a local furniture bank, and in addition to donating various household items throughout the year, is donating a portion of the proceeds from this year's Golf Tournament to help the Mustard Seed help Central Florida families.

The Mustard Seed of Central Florida

Every year, the Mustard Seed furnishes well over 1,400 homes, and distributes food to hundreds of families. People of all ages and backgrounds are referred to the Mustard Seed by Arnold Palmer hospital, the Center for Drug Free Living, and over 40 other agencies, as well as local Fire and Police departments. Whenever possible, all appropriate requests for help are met. The Mustard Seed is able to do so much because of the generosity and support of local businesses, organizations and individuals. With your help, however, there is so much more it could achieve.
